

Hazardous Materials Training Seminar

August 21-23, 2018

Seminar Location

Hilton Americas Hotel and Conference Center
1600 Lamar Street
Houston, TX 77010

Who Should Attend?

Anyone responsible for the handling, loading, unloading, inspection, and preparation of shipments of hazardous materials by rail should attend this seminar. Attendees will have the opportunity to interact with experts from the railroad industry along with agency professionals on regulatory issues. Other areas of interest that will be covered include:

- Tank car loading and unloading operators
- Tank car manufacturing and repair technicians
- Railroad carriers
- Intermodal operations

Exhibitor Opportunities

An exhibit area at the convention center will be available for companies to display their services and products during the seminar. If interested, please complete the registration form at the website listed below and be sure to check the "Exhibitor" box. You will then be contacted within 10 business days to discuss the details. The Federal Railroad Administration will not be responsible for shipping charges to or from the facility.

To register and obtain additional information visit <https://www.fra.dot.gov/Page/P1104> .
Free to the public. Space is limited to the first 500 registrations, so register today!

Hosted by the Federal Railroad Administration.
